Countless substrates too varied to list and cutting/routing needs to boot! Focus Printing Group can work with you on your own designs or assist in creating graphics as needed. This is a great opportunity for your faculty, coaches, and students to express their ideas for Dry Erase Boards, Record Boards, or Banner Wording & Artwork. Focus Printing Group encourages your input – if you do not see what you are looking for listed, do not be afraid to ask! We have all kinds of sample verbiage that can be emailed at your request. Also we can make products for school stores and fund raising.
