

Nebraska ESU Cooperative Purchasing ESU2008 Paper Catalog

To: ESU Area Schools
FR: NE ESU Coop Purchasing & Educational Service Units
RE: ESU2008 Paper Buy

Nebraska ESU Cooperative Purchasing, with support from the Educational Service Units, has gone through a great amount of time and effort to secure the best possible prices on quality merchandise for the schools. With Nebraska's economy as it is and the constraints put on the tax dollar these days, we feel it is important to secure the lowest prices possible for the schools of Nebraska. The prices within this ESU Coop Program represent the lowest prices available to our schools.

Purchase through Nebraska ESU Cooperative Purchasing to strengthen bidding power and maintain a quality purchasing program that provides the lowest possible prices on quality/name brand products for the schools in Nebraska. Don't pass-up this opportunity to save tax dollars for your districts. Thoroughly examine the entire document and include all of your needs for next year.

The 2008 Paper Catalog is now available for electronic ordering on NE ESU Coop's NECPAS system at www.necoop.net. Please contact your local ESU to obtain required username and password.

If you have any questions concerning any of the items included in this catalog, do not hesitate to contract your local Educational Service Unit.

2008 Paper Catalog Purchasing Authorization

This document authorizes Educational Service Unit_____to purchase the items ordered on NECPAS for the _____school system and upon receipt of invoices will reimburse Educational Service Unit_____ for the amount of the item or items delivered to and/or picked-up by our school system. We also certify that the tangible personal property purchased on this order is exempt from the Nebraska and City Sales Tax for the reason that all are to be used exclusively by the educational institution.
